| Compound Test: | Tirzepatide  | Tirzepatide |  |
| Quantity:      | 10mg         | 10.08mg     |                                                                                     |
| Purity:        | >98%         | 99.44%      |                                                                                     |

UPLC

MS

Aleksey Yevtodiyenko PhD  
 Research and Formulation Chemist

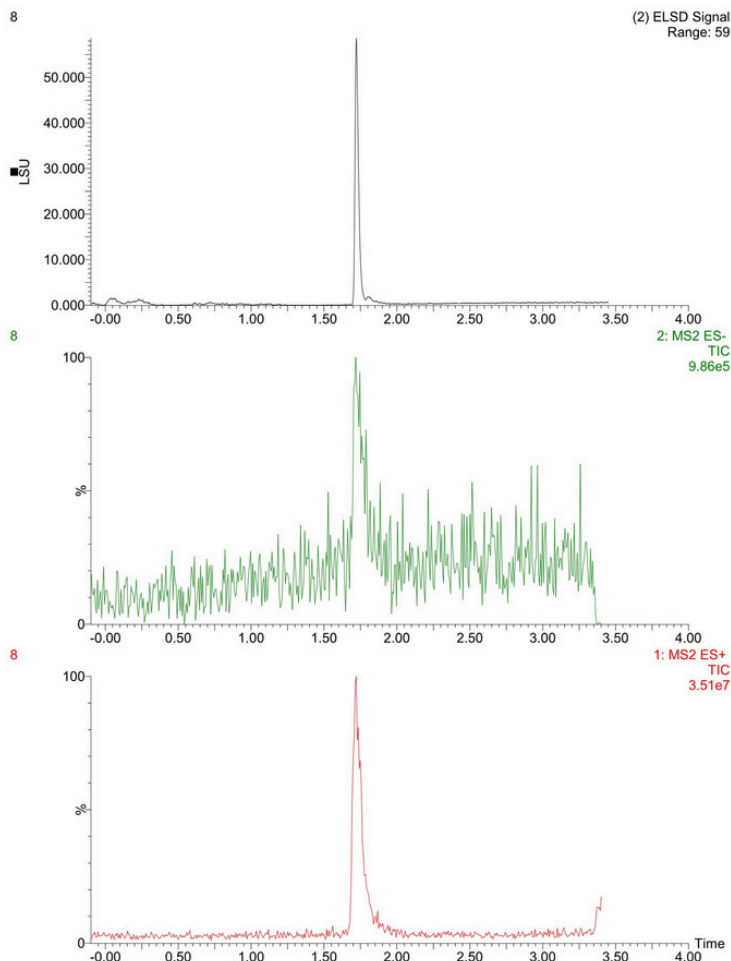

This purity analysis was conducted using UPLC/MS under standard laboratory conditions, following validated analytical protocols to ensure accurate and reliable results. This analysis is intended for informational and research applications.
